Wet and dry vacuum cleaners

A 2604

Details

Description

The A 2604 is one of the most powerful wet and dry vacuum cleaners in its class. High suction 1800 W motor and 25 litre container capacity, suitable for renovation or private building sites. The ergonomic carry handle makes it easy to transport the container and doubles as a lock for opening and closing the container. It is also handy for emptying the container. One of the five castors has a brake to stop it rolling away on sloping surfaces. The blower function can be adjusted with the integrated slide control. Dirt and leaves can be removed effortlessly from difficult-to-reach areas. With practical storage for tools, screws, dowels, etc.

Application

Ideal aid for renovation.

Features & Benefits

Highest power Solves any kind of wet & dry cleaning problem. Faster and cleaner. Blower Function The blower function can be adjusted as required with the separate slide control. Dirt and leaves can be easily blow-swept from difficult-to-reach areas. Practical flat surface Practical flat surface on top of unit for keeping tools, screws, wall plugs etc. near at hand. Practical holders Practical Holders on the vacuum keep the standard accessories and suction hose securely accommodated and always ready for use.
